

Southern African Wildlife Management Association Conference
1-5 September 2019, Wilderness Hotel, Western Cape, South Africa

NELSON MANDELA
UNIVERSITY

CALL FOR ABSTRACTS

We invite scientists, students, managers as well as decision makers in the field of wildlife and natural resource management to submit abstracts for full papers and speed presentations by 30 April 2019.

Sustainable landscapes for wildlife conservation

- ❖ Conservation management and its effects on species, food-webs and ecosystem functioning
- ❖ Managing biodiversity in the face of disturbance and extreme events
- ❖ Wildlife management in peri-urban landscapes
- ❖ Management of biodiversity under threat of biological invasions
- ❖ Social-ecological approaches to wildlife management
